Overview

We are delighted to bring to market this rare and exciting opportunity to acquire a detached barn located in the heart of this popular village.

The building is constructed with a mix of cob, stone and concrete block covered with a corrugated roof.

The barn could be used for a variety of uses or potential development subject to any permissions required.

There is also a small hardstanding to the side providing off road parking.

Directions

From our Okehampton office, continue west on Fore street and over the traffic lights onto New Road. After a short distance, turn right, signposted Northlew, then right again.

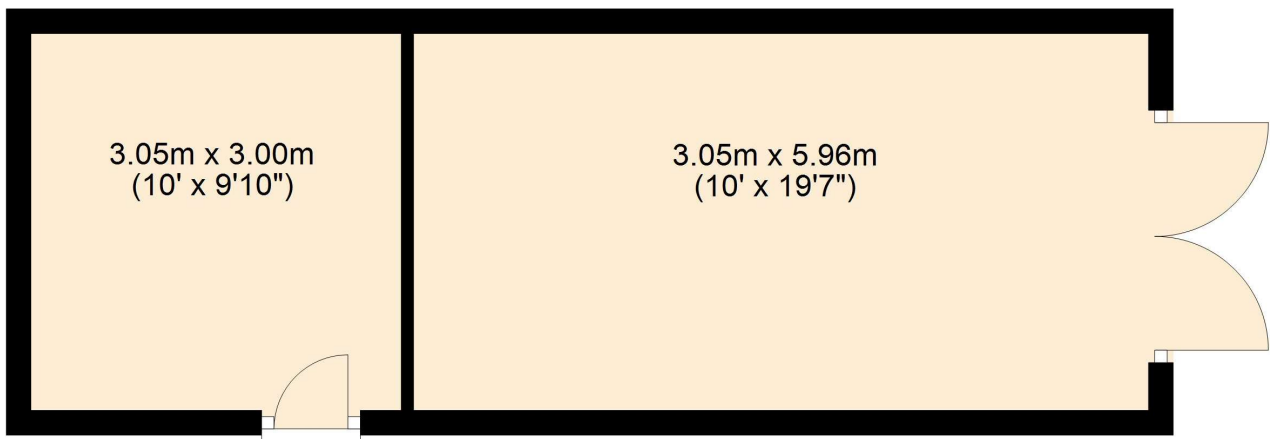

At the cross roads, continue straight ahead, towards Northlew and stay on this road until you reach the village.

Upon reaching the square where you can park, on foot head towards the shop and the barn will be found on the right hand side with our for sale board clearly displayed.
